THE PLAYHOUSE

Billings

We wish to acknowledge the land on which the University of Toronto operates. For thousands of years, it has been the traditional land of the Huron-Wendat, the Seneca, and most recently, the Mississaugas of the Credit River. Today, this meeting place is still the home to many Indigenous people from across Turtle Island and we are very grateful for their stewardship, and to have the opportunity to teach and learn on this land.

Welcome to the DRM200 Showcase! Please join our spirit of exploration as we present fourteen scenes chosen from a broad spectrum of plays.
